Section 4 - Your personal undertakings to the person to whom the application relates

Becoming a deputy means that you have to take on a number of duties and responsibilities and have to act in accordance with certain standards. If you are appointed as a deputy, the court order will set out the exact powers conferred on you.

The main duties and responsibilities you may have to take on are set out below. Please review each one and tick 'Yes' if you give your undertaking to act in accordance with the duty or responsibility. You can use the 'Comments' section to support your undertakings. Please mention if you have a particular professional skill, life experience, public duty or role that you think is relevant.

If you do not give your undertaking and tick 'No', please use the 'Comments' section to explain your reasons. It may be because you do not yet have experience in the particular duty, or think you might not have the skills needed. It will not necessarily prevent your appointment as deputy.

Not all of the undertakings set out below will be relevant to every deputy. If you think this is the case, tick 'No' and explain in the 'Comments' section that the undertaking would be irrelevant to your appointment.
