It would be helpful if you could bring as many of the above documents to the appointment as possible. However, if you are unable to bring all of this, then it will be possible to bring it to the office at a later date.

At this stage you should ensure that the assets are kept secure i.e. [that the house is kept fully locked and alarmed (if appropriate), that you have informed the buildings insurers that the house is now unoccupied and] that any valuable and financial papers are in a safe place.

I look forward to seeing you at the appointment. Please let me know if you have any queries in the meantime.

Yours sincerely
